## Admission Contract

Admission to Texas A&M University carries with it certain responsibilities and obligations. With that in mind, please read the following information very carefully. The Texas A&M University *Student Rules* is available at <http://student-rules.tamu.edu/> and the *Undergraduate Catalog* is available at <http://www.tamu.edu/admissions/ucat/index.php>. **Each student is responsible for familiarizing himself or herself with College and University policies and regulations.**

University Regulations require students to register for courses that follow the specified program of study for a baccalaureate degree. A student who fails to do so may be removed from the inappropriate course(s), and blocked from registration by the Dean of the College. Each student must begin by enrolling in basic course work as outlined in the General Degree Requirements Sections I and II in the *Undergraduate Catalog* \_\_\_\_\_ for major: \_\_\_\_\_. This **excludes** courses that will serve as electives or that will meet the requirements of a minor.

Each student's date of graduation will depend on completion of all course work in his or her new degree plan. Some courses are sequential and must be completed in the specified order. Additional semesters may be required to meet all prerequisites. If a student has any doubt about his or her intended coursework or schedule, he or she will need to visit his or her departmental advisor.

**36 Hours.** A minimum of 36 hours of 300 and/or 400 level course work must be successfully completed in residence at Texas A&M University to obtain a baccalaureate degree. A minimum of 12 of these 36 semester hours must be in the major. Part I of Texas A&M University's *Student Rules* (<http://student-rules.tamu.edu>) addresses the **Residency Requirement**, if further clarification is desired.

Student Rules requires each student to keep the registrar informed of his or her current local and permanent addresses. Addresses and phone numbers can be maintained at <https://myrecord.tamu.edu/>.

**I accept admission into the College of Liberal Arts and my specific major with full recognition and acceptance of the above.**
